Create your custom campaign store

Every campaign needs to generate awareness and all campaigns must empower their volunteers with promotional items to spread the word VISIBLY.

Often campaigns lack the ability to manage inventory, distribute products, and ensure accurate delivery to volunteers. ElectionMall's Online Campaign Store enables you to customize and sell a variety of branded products with no upfront costs and zero inventory investment. Through online tracking, ensure your products receive in a timely fashion so volunteers can market your campaign immediately.

Create your own or select from existing products, all within 30 minutes.
