

fundraising by phone

flexible and reliable service 24/7

Direct connections to contributions.

Expand your reach with an extra set of hands to take contributions over the phone and follow-up with your contributors. Operators are ready to take your contributions at the times when you need them the most. We are available 24/7, 365 days a year. With our call centers spread throughout the United States we have live operators that can necessary to assist your campaign or serve as backup service for you to always keep your orders flowing.

ElectionMall's scripting and IT experts let you concentrate on the other aspects of launching your campaign with web and customized order entries. We offer a variety of credit card processing solutions (AMEX, VISA, MasterCard, Discover) to fit your specific needs — using a secure bank routing number, we transfer funds directly into your account. ElectionMall.com can also take orders for contributions, ticket processing or RSVPs. We free your staff from administrative chores and speed up your cash flow. ElectionMall.com will also provide regional US accents along with Spanish translation. Our TTY service also connects you to the hearing-impaired.

You need to know ASAP what is happening with your fundraising efforts. ElectionMall.com confidentially provides that critical data in customized daily, weekly, or monthly reports, faxed or emailed directly to you.

*don't forget we also make fundraising widgets to fit on all your social networking sites
Fundraising By Phone. Direct connections to contributions.
